

# Jodi bares all

THE NEW FACE OF CRYSTELLE, SYDNEY IT GIRL JODI GORDON, TALKS DANCING, FASHION AND HER TOMBOY PAST.

## DO YOU MIND STRIPPING BACK FOR THE CAMERA?

...ing back. I love it [laughs]. Yeah, it was a little bit...  
...ting walking around in your underwear, in lingerie.  
...when it's beautiful like Crystelle, then it's not a  
...lem. But everyone on set was great and we took  
...e really good photos and we really achieved what  
...wanted to out of the day. The lingerie was just  
...ting.

## WHAT DOES BOYFRIEND RYAN STOKES THINK ABOUT THE SEXY SHOOT?

...he's always really supportive of everything I do,  
...e was really happy for me to do this.

## YOU WERE A BIT OF A TOMBOY IN THE PAST. DO YOU LIKE DRESSING UP AND BEING GIRLY NOW?

...n't know if it's a normal thing to be a bit of a tomboy  
...n you're growing up. Playing footy and soccer with  
...brothers in the backyard and then all of a sudden  
...hit 13 and you become more feminine. I know that  
...pened to me – I was a little bit more interested in the  
...sort of things, which of course is lingerie as well.  
...be not at 13, but now definitely.

## YOU'VE BEEN MODELLING SINCE YOU WERE QUITE YOUNG. DO YOU HAVE A PASSION FOR FASHION?

...h, I absolutely love fashion. It's always been a big thing  
...y life. I loved it even when I was modelling. The  
...nes, styling, putting it together; the design, designers –

I've always been really quite passionate about fashion and that's why this opportunity with Crystelle is amazing because they let me have a little bit of input into what they're doing and how I feel about it, how the lingerie makes me feel. It's really exciting for me. It's really nice to be a bit hands-on.

**"I ABSOLUTELY LOVE FASHION. IT'S ALWAYS BEEN A BIG THING IN MY LIFE"**

## DO YOU HAVE ANY SAY IN THE DESIGN PART OF IT?

We're collaborating together. As the range goes on, they're discovering what I like and what I feel about it and I discover what they like and we try to work it all in together.

## WHAT'S YOUR PERSONAL STYLE LIKE?

I don't know, it's hard because I'm one of those people who one day likes to do preppy and the next day I like doing punk. I would say I'm pretty conservative. I like black and white, and really mono tones. But I love classy and elegant clothes. Whatever makes you feel sexy and sophisticated.

## WHAT'S YOUR DREAM JOB?

I think if I wasn't acting I would probably be at design school or starting my own label or something like that. Something to do with fashion.
