

# Bags of taste

Every woman carries some secrets in her bag. Precious memories and belongings are stored away, like a lifetime of keepsakes held close to her heart. Those secrets can now remain a mystery with George Gina and Lucy's new range of Pucci-inspired bags.

Each design comes fitted with a metal padlock clip, to ensure belongings are safely stowed away. Instantly recognisable George Gina and Lucy bags are a harmonious balance of colour and versatility. Available exclusively at [www.lala.com.au](http://www.lala.com.au)

# Boot'iful Billow

FitFlop has launched a winter shoe called Billow. It's like walking on a cloud or a pillow. The Billow is an all-purpose super luxe slip on covered boot designed to make cold aching feet feel fantastic. Roll the cuff down to create fluffy slipper. Roll it up

and make a casual outdoor boot. This boot has hidden depths. It brings the famous FitFlop bum-firming, muscle-toning, lower-back ache relieving, footpain mitigating microwobbleboard in to winter wear. Choose from a range of colours.

# Hand in glove
