Check out some great gift ideas at Toot Toot Toys

Toot Toot Toys is a specialty toy store in Bentleigh. It has approximately 800 different Thomas the Tank Engine Themed items in stock. It sells everything Thomas from the Wooden Railway, Trackmaster, Take Along ranges to potty's, clocks, partyware and books, etc. You can also hire out Thomas for parties! They have a free birthday club that you can join.

However, trains are not all it sells, for older children, they keep a range of Lego and Carrera Go!!! "We found once the kids turned 6 years old they were coming off our mailing list, so we introduced some other toy ranges for older kids which keeps them coming back...We have electric train sets for older kids too, but mainly Thomas themed..."

We are more than happy to help the customers with their choices, especially those new to trains. You would be surprised how many people make the wrong initial purchase and end up with two or three different train sets, just because they did not know what to get for their needs. We have an advantage over most of the major stores in that our staff know about all the changes and latest products to ranges etc, and so we can take that into consideration when helping a customer. We would rather them buy one or two things that suit their needs than five items that don't. Train sets are a toy that can last a lifetime - kids remember their train sets, you would be astonished how many people keep them for their 20 years on.
